Annual Conference:

Trauma-Informed Counseling

Keynote Speaker: Ski-ter Jones

Ski-ter Jones is one of the most successful commercial actors in Hollywood. He has enjoyed a successful career in the entertainment industry and is known as the “Commercial King.” He has appeared in over 100 national commercial campaigns including Price Waterhouse Cooper, Verizon Wireless, CVS, BMW, Royal Caribbean Cruise Line, McDonalds, Walmart, and Xerox to just name a few. Ski-ter is also the author of several books and has served as a guest speaker in many forums around the world. However, his story is like many of our clients in that he faced many challenges and traumatic experiences growing up as an African American male in the at-risk communities of Washington, DC.

Ski-ter endured many obstacles that have tested his resilience throughout the years, so how did he do it?

Join us in hearing his story as we gain insight on how to become better “trauma-informed” counselors.
